Dear Gerald,

Thank you for your letter re: **Hettie House**. I was using the Internet on a computer where I worked last week (as a "Temp.") in Reno. My Juno email is "email only" no web service and no attachments. My brother, Jim Peters, is on AOL and I will give you his address at the bottom of this letter in case you want to send anything via the net. I work in Arizona in the Winter and return to Nevada & California for the hot summer months. Only phone I have is cell. and I live full time in a motorhome, so I use my parents address (above). My brother is really getting into the Genealogy & he has been a great help to me. I hope to be back in Arizona by the end of Oct.

I have not found any ties to GA or AL yet, but as you know, anything is possible.

Elisha (Elijah) Taylor House (b.1872) was my grandfather, had a sister, Hettie, 2 years younger than him. It appears that all of the children were born in TN, probably Hardin Co. or Smith Co. and that they left for TX after 1872 because they were in Freestone Co., in the 1880 Census. The family was not happy about Robert's marriage to a "younger woman", I suspect that is why my grandfather "headed toward Indian Territory" not long after but not sure what happened to Hettie, who would have been about 12 at the time of the 2 nd. marriage. Several of the older brothers are buried at Streetman, TX, where their mother, Jane, was buried in 1885. There are some court records, marriage, etc. that were not claimed by anyone when I was there in 1993 but I had very little information at the time and haven't followed up on them (Next on my list)

No, I haven't been in contact with Billie House--Please feel free to pass this information on to her or give me her address, etc. or give her mine, Would love to touch base with her.

Sincerely,

  
Barbara A. (Peters) Pargament

Barbara,

Thanks for answering my query. We have some information on Hettie House (actually, 2 of them) but do not have everything tied together yet. My ancestors were Devereux or Devereaux, and my ggrandfather married the younger Hettie House. I can't find her mother, Hettie Webb House, after the 1860 census in MS, and knew that they had gone to TX and AR, but had no idea that they went to Rusk County, TX. This is a very interesting bit of information – the Monte Verde Plantation in Rusk County belonged to Julien Sidney Devereaux, formerly of Conecuh County, (Andalusia) AL. It has been obvious for some time that the Webb's and Devereux's traveled together through NC, GA, AL and on into MS, but I didn't realize that they had gone onto TX until your note.

After seeing what you send, I will gather anything that we have that's not in your pages and send to you. Have you ever been in contact with a Billie House? She has also done quite a bit of research. Again, thank you for your help.

Gearld,

Sorry I have just now read my mail today. My husbands sister had a heart attack and we were call to Texarkana this morning. She spent about all afternoon in surgery. They think if she gets through the next 6-12 hours she will be ok.

Read your letter from Jimmie.

Reuben and Hettie were in Jackson co. MS on 1850.

Mary Ann Houze 7/12 F Miss.

As I said earlier Reuben and Hetty married in Mobile Co. Ala. 15 Sept. 1836. This is the earliest information I have. I do not know when they left Ala. but I would guess between 1839 and 1841 based on the ages of the first two children. After the 1850 census was taken another son Joseph James was born in Miss. on 21 April 1852. He is my husbands greatgrand father.

The next account I have is 1854 in Lafayette Co Ark. were Reuben and Hetty registered 13 head of cattle, court document stated they were a gift from Hetty's mother Sarah Webb. Another son was born to them on 28 July 1858, he was George Washington House and was born at Walnut Hills Ark. in Lafayette Co.

I just recently received information that Reuben and Hetty was in Texas in 1860

1860 McLennan Co. Tx  
Ruben House 48 m farmer Ga  
Hetty House 45 f Ga  
John House 20 m Farm labor Miss  
RH House 15 m " " "  
Hetty House 12 f Miss  
Mary A. House 10 f Miss  
Joe J. 8 m Miss  
LC 5 f Ark  
George W. 1 m Ark

Note we picked up another child LC born in Ark. This is the only time we have found her. In some notes from George W. family, he said he had a sister that died at a young age. We think it was probably LC.

Civil War 1863-1865

John and Reuben went back to Ala. to join Co.D 56th Cavalry Partisan Rangers.

George W family give account of elder Reuben running the blockade out of Gulfport Miss. I have no proof of this.

1870 Lafayette co.census has  
RH and Joseph J and John back in Ark

You ask about Collins. Mary Ann married Eli Collins and lived in Harrison Co. Miss until her death She and her family are buried at Findley cemetery and the Dad, Reuben is buried close by I have not found Reuben on the 1870. 1880 census. He died 06 Oct 1892. We do not know when or where Hetty died.

I have not looked for a will on him either.

This is something I need to do. Also there is a marriage record on Reuben House and Mrs Charlotte Nichols in Mobile Co. Ala

in 1862. His bondsman was Edward Brown. There was a marriage of  
Elizabeth House and Dennis Brown in Harrison Co. Miss. 1881. Maybe our Elizabeth?

I have other information on some of these families.

Now if we can link your Hetty to this family that would be great.

One other thing every branch of the family I have talked to say that Hetty Webb was Cherokee?

Hope this helps

Let me hear from you.

Gearld,

Sorry I have just now read my mail today. My husbands sister had a heart attack and we were call to Texarkana this morning. She spent about all afternoon in surgery. They think if she gets through the next 6-12 hours she will be ok.

Read your letter from Jimmie.

Reuben and Hettie were in Jackson co. MS on 1850.
